

**My parents
can't send me to school.
Can you?**

If you can't, the chances are she will end up housebound, exploited as a maid or a child prostitute, be married off early and could even die during childbirth!

We write on behalf of thousands of girls who like Shreya, are forced to dropout of schools because their families cannot afford to keep them there.

It is official knowledge that out of every 10 girls who enroll in Std I, only 3 complete Std X. Education for a girl child born to a poor family is still a pipe dream.

The Nanhi Kali project intends to make this appalling fact, history. With your help, we can make it sooner.

How you can help?

Sponsor a Nanhi Kali. Be her guardian. Give her the assurance that no matter what trials her family faces, she will never have to drop out of school.

Your sponsorship will provide her with study material, uniforms and learning support. It will also be used to work with her teachers to create a learning-friendly environment in the government school she goes to.

The sponsorship amount for a child from Std I - V, is Rs. 2400/- per annum.
The sponsorship amount for a child from Std VI - X is Rs. 3600/- per annum.

As a guardian...

You will receive a profile of your Nanhi Kali with a photograph. You will also receive half yearly updates about her, so you can track her progress.

The people behind Nanhi Kali.

The project is jointly managed by K. C. Mahindra Education Trust (Mahindra & Mahindra) and Naandi Foundation (Dr. Reddy's Laboratories). These not-for-profits led by eminent captains of industry have brought together the finest professionals of the development sector to ensure every girl child in the country can complete 10 years of formal quality education.

To Sponsor a Nanhi Kali you can donate online through www.nanhikali.org
