In the digital age, where so much of social commentary happens online, it is important that a conversation about child development and education is also happening offline. For several years now, Project Nanhi Kali has been helping girls to lead the movement for their right to education. The most impactful of its initiatives include empowered, spirited girls from different walks of life, who were filled with an extraordinary resolve to promote girl child education, the most impactful of which was the launch of an anthem titled ‘An Anthem for the Girl Child’. The song features one of India’s finest female rappers, Deepa Unnikrishnan aka Dee MC and Simi Talsania, an upcoming Hip-Hop dancer. Through this anthem we aim to encourage more citizens to join and champion it. It thus brings us great joy to announce that the year 2018-2019 saw Project Nanhi Kali collaborate with representatives from different walks of life to champion our cause. Standing at the dawn of a new financial year, we only hope that more torch bearers like you will step forward to support the education of 523 Nanhi Kalis! The year 2018-2019 witnessed Project Nanhi Kali take strides in various directions, focusing on diverse social causes. The 5th season of ‘Proud Fathers For Girl Child’, the initiative that focuses on nurturing bond between fathers and daughters; a bond built out of love, mutual respect and unfailing support for each other. The season was a runaway success, having captured 327 portraits, which helped find data across 600 districts. The findings of the TAG (Teenage Girls) Survey, is available for download at: https://www.nanhikali.org/teenagegirlsurvey. The TAG Report 2018, gives a comprehensive view into the lives of girls, but also bring value to our models to our Nanhi Kalis. For over a decade, Project Nanhi Kali has been working to raise awareness about girl child education & child safety. At Project Nanhi Kali, we immensely value collaborations and partnerships. Catch up on Rana’s programme through innovative and monument work. Rana's momentous journey was championed by Titan in an attempt to raise awareness about girl child education, the most impactful of which was the launch of an anthem titled ‘An Anthem for the Girl Child’.
